RUN YOUR OWN BUSINESS & LIVE UPSTAIRS -GREAT INVESTMENT

Run your business on street level and live upstairs.

Downstairs, floor legal height, full concrete with shower and W.C. Zoned commercial/residential use. Would be ideal for redevelopment (subject to council D.A.). High traffic volumes at frontage giving great exposure with rear lane access for off street parking.

Upstairs, refurbished 3-4 bedrooms with 12ft ceilings, wide hall, polished floors throughout, very spacious lounge/dining area and renovated bathroom and kitchen.

Great investment currently returning \$420per week on long secure lease up stairs.
