Auto Electrical and Air conditioning Business - Kyogle

This is a highly successful Auto Electrical & Air Conditioning business in the heart of Kyogle. There is an excellent customer base and market share as Kyogle's only mobile Auto Electrician servicing the district Servicing, Cars, Trucks, Buses & Farm equipment in Auto electrical and Air conditioning

The business is currently enjoying strong returns and the current owner frequently has more work than he can undertake. The current owner has operated this business for many years and is looking to retire.

Apart from personal tools, the business is being sold as WIWO with a mixture of new and rebuilt parts, Included are Lathes, Testing bench & parts washer, single phase compressor, sand blaster, battery chargers, drill press, and all benches and shelving. Also providing motor vehicle air conditioning service with recovery unit, vacuum pumps and all gauges.

Also included is a 2004 Turbo Diesel Landcruiser in great condition fully fitted with tool boxes
